BELL

INFORMATION  
ABOUT  
YOUR ELEMENTARY SCHOOLS

Community Consolidated Elementary School District No. 4  
Barrington, Illinois

## THE SCHOOL BELL

The School Bell was devised as a method of helping parents in the Barrington Elementary School District No. 4 to know more about their elementary schools. The purpose of this edition is to provide information for you at the beginning of the 1966-67 school year.

### SCHOOL HOURS

#### Grove, Roslyn, North Barrington, Middle School

Kindergarten	- 8:45 A. M. to 11:10 - 12:50 P. M. to 3:05 P. M.
Primary through Grade 5	- 8:45 A. M. to 3:05 P. M.
Middle School (6th-7th-8th)	- 8:25 A. M. to 3:30 P. M.

#### Wednesday Dismissal Time

North Barrington, Grove Avenue and Roslyn Road Schools	- Primary thru Grade 5 - 2:40 P. M.
Middle School	- 6th, 7th, and 8th - 3:00 P. M.

We encourage parent visitation to our schools; however, we ask that all visitors identify themselves at the school office so that we may account for adults present in our buildings.

### LUNCH TIMES

As lunch times differ in each building, information on lunch times is given to parents and pupils at enrollment time. However, due to crowded conditions at Grove and Roslyn this year, we would encourage students who live a reasonable distance from school to return home for lunch. Your cooperation in this matter will be appreciated.

### RENTAL FEES

The rental fees, which include payment for required paper, pencils, ink, art supplies, use of books for the primary students, and books for intermediate and upper grades are listed below. Pupils in the 4th, 5th, 6th, 7th and 8th grades will be expected to purchase all supplies and the rental fee will partially cover the cost of required books and towel service for the physical education classes.

KINDERGARTEN: \$4.00 GRADES: Primary thru 5 - \$7.50 GRADES: 6th-7th-8th, \$12

INSURANCE: (Optional) Kindergarten thru 8th - \$2.00

### LUNCHES

K-5 SCHOOLS: The cafeterias in the K-5 schools will begin operation on Tuesday, September 6. Milk may be purchased by pupils who bring their lunches from home. The price of milk is 2¢. The price of a lunch in the cafeteria is thirty-five cents. Pupils may pay for their lunches daily or purchase a lunch ticket for \$7.00 for 20 lunches in the school office. Lunch tickets are kept on file in the cafeteria and are checked by the cashier as the child purchases his meal.

MIDDLE SCHOOL (6-7-8): Middle School pupils may bring their lunches or use the vending machines for part or all of their lunches. Milk is available for 5¢.

## PLAYGROUND

Because we cannot provide playground supervision for a large number of pupils before school begins in the morning, we ask that pupils who walk to school do not arrive at school until ten minutes before their class begins - that is, 8:35 A. M. for grades Kindergarten through 5.

The schools assume that pupils will be in school during the entire day. They may not leave the school premises at any time without permission from the principal or the teacher. A note of request should be presented from the parent when an exception to this is necessary.

Unless pupils are working with a teacher, we ask that they go directly home when school is dismissed. There is no playground supervision after school hours.

ABSENCES: Whenever your child is absent, please send a note to his teacher explaining the cause.

TRAFFIC AT THE GROVE AVENUE SCHOOL: Cars transporting children to and from school should use Grove Avenue only for loading or unloading children. The parking lot at the rear of the building is for buses, only.

TRAFFIC AT THE ROSLYN ROAD SCHOOL: Cars transporting children to Roslyn Road School should use Roslyn Road and the drive from Roslyn Road to the front east of the school.

TRAFFIC AT NORTH BARRINGTON SCHOOL: Cars transporting children to the North Barrington School may drop the children off at either the front entrance or the north entrance on Grandview Drive. However, in picking up children after school, only, the Grandview exit is to be used. This will eliminate unnecessary traffic from the front driveway so the bus may proceed on its way with a minimum of confusion.

TRAFFIC AT THE MIDDLE SCHOOL: Cars transporting children to and from the Middle School should unload and load children along Eastern Avenue. The circle drive in front of the Middle School is used for bus loading and unloading.

TRANSPORTATION: Transportation by school buses is provided for all children who live one and one-half miles or further from school.

Most of the buses are loaded to legal capacity; only those pupils who are eligible for regular transportation are permitted to ride on the buses. Please do not request permission for children to ride on or switch buses for recreational or other purposes. This use should be reserved for emergencies. Buses at the Grove Avenue and Roslyn Road Schools will load and unload in the area in the rear of the buildings.

## TRANSPORTATION RULES

Following are the transportation rules for pupils. Basically, parents are responsible for the behavior of pupils on school buses. If a child's behavior is not acceptable, the privilege of riding the bus may be removed, and it becomes the responsibility of the parent to transport the child. Parents are requested to read these rules and to discuss them carefully with their children.

1. Pupils who have to cross the road to be picked up should look carefully in all directions from which traffic may come before crossing.
2. Pupils who have to walk some distance to meet a bus should walk on the side of the road facing the traffic. While waiting for the bus, they should not stand or play on the highway.
3. They should not extend their hands, arms, heads, or bodies through the bus window.
4. Windows in the school bus will not be lowered beyond the safety mark.
5. While being transported to and from school, pupils must know they are under the authority of the school bus driver. Refusal to obey rules will of necessity be reported to school officials.
6. Pupils must be on time for the bus both morning and evening.
7. Pupils must not make an attempt to get on or off the bus while it is in motion. If necessary, pupils must occupy seats assigned by school officials or bus driver.
8. Pupils must not leave the bus on the way to or from school without the permission of the driver. The driver may not give such permission except in case of a personal emergency on the part of a pupil, or upon the written request of pupil's parent, teacher, or principal.
9. Pupils may converse in a normal tone, but loud or profane language is prohibited, and unnecessary conversation with the driver is prohibited.
10. Pupils should be courteous at all times to the driver, to fellow pupils, and to all persons along the route.
11. Glass containers, live animals, and other objects which might prove hazardous, may not be carried on the school buses.
